ADVANTECH - TPC-1551WP

TPC1551WP-BASICDATA

- 15,6" screen
- 16:9 wide multi touch
- IP66 in front
- For recessed mounting

Product description

Advantech's TPC series is suitable for all types of applications. As it's IP66 classified in the front it means it can handle everything from heavy industries to clean cabinet applications.

The TPC-1551WP comes with a lighter hardware suitable for client applications or web-based services.
The panel is designed with "truffle" technology, making the frame edge completely non-existent and perceived as a good overall impression.

Besides the standard ports, there is also the possibility of extra expansion thanks to the iDoor modules, these modules allow extra expansion for eg USB, Wifi, Profinet or TCP / IP. There are 35 different modules today supporting more than 450 different protocols.

Specifications

Approvals	CCC, CE, FCC, UL, BSMI
Backlight	LED
Clock Speed	1,75
Contrast	500:1
CPU	Atom E3827
Depth	61,9
Display format	16:9
Display Resolution	1366x768
Display Size	15,6
Front panel thickness	7
Height	269
IP Class	IP66
Luminance	300

Memory RAM	4
Number Of Colors Display	16,7
Number of cores CPU	2
Power Consumption	48
Power Supply V DC	24
Punching	412,4x261,7
Temperature range bearing, from	-20
Temperature range bearing, to	60
Temperature range from	-20
Temperature range to	55
Weight	5
Width	419,7
Viewing Angle	170/160
