

CAMERA KITS FOR RIGID TRUCKS

REVERSING-RT

Reversing camera system for rigid truck

- Analog PAL/NTSC
- Digital HD
- CornerEye HD 270° view
- For all types of rigid trucks

Product description

The size and design of rigid trucks causes limitations in the field of vision to the front, rear and side of the truck. A range of camera kits from Orlaco cover the front and rear of the trucks and CornerEye for 270° view of the front and side.
