

BASLER - CAMERA BAR LIGHTS

100x15mm, 150x15mm, 200x15m

2200000627

Bar light, 113x20x20(100x15), 630 Red

- Integrated controller for perfect synchronisation
- Blue, red or white LEDs
- 100x15mm, 150x15mm, or 200x15m light emitting surface
- Easy access to strobing and over drive functions

Product description

Specifications

Approvals	CE, EN61000-6-2, EN61000-6-4, RoHS
Connector/controller	Integrated controller, constant voltage (66.2x30x20mm)
Height	20
Humidity Storage	20-85%
Input voltage	24 V DC ($\pm 10\%$)
Length	113
Light dimensions	100mm x 15mm
Operating Humidity	20-85%
Operating temperature	0 ... 40°C
Power Consumption	3,1
Storage temperature	-20 ... +60°C
Wave-Length	630
Weight	140
Width	20
