

KUEBLER - WIRE ENCODER D125

SERIE D8.D125

- Measuring range 6 10m
- Integrated inclinometer
- Can be ordered with redundancy
- IP67
- -40 to +85°C

Product description

Please refer to the images below for ordering information.

Order code with analog sensor		D8 . D125 . XXXX . XXX1 . X 000			
		a	b	c	d
